9. Dan Douglas, Emergency Manager: Discuss Local Emergency Plan. D/PA

Douglas said that the draft has contact information for all the entities and that information was pulled from their respective websites, but their names may not be current. In past plans, the contact information was generic and only stated

titles. Past plans were good for 5 years, but Douglas said NE Emergency Management is undecided on how often the plan will need to be updated and approved by the board going forward. The largest change from the 2016 plan was taking out references to Region 5/6 EM and the majority of references to Ft Calhoun nuclear power generating plant. Barnhill said he is not comfortable approving a document when there is still some information that needs updating. Douglas said there is no rush to have it approved.

Motion Lisa Kramer and second by Steve Kruger to table approval until next meeting to give board members time to do additional edits to the document. Motion Carried.
